

HB 36 -- SURCHARGES ON RENTAL SERVICES

SPONSOR: Lant

This bill authorizes certain counties to impose, upon voter approval, a 5% surcharge on the rental of flotation devices and transient guest accommodations for the purpose of providing emergency medical and public safety services within the county, including costs associated with the construction and maintenance of a county jail. Allocation of the funds among certain municipalities and county offices is specified in the bill. Currently, this provision only applies to McDonald County.
